

Reuben H. Huenemann
Interim Pastor 1984 – 1985

Huenemann was named Interim Pastor of St. Paul United Church of Christ following Reverend Harrison's departure.

He provided perceptive, supporting guidance to the Associate Pastor of St. Paul's, Reverend Donley Dutcher and Reverend Roger Horn, Minister of Christian Education and Youth.

Under Huenemann's leadership, the congregation adopted the board system of lay participation in the work of the church (i.e., the Boards of the Church Council).

A matter of interest; Dr. Reuben H. Huenemann was the founder and first President of United Theological Seminary of the Twin Cities.
