FOR ALL:

One Shot at Forever, by Chris Ballard

Baseball fans and/or folks who attended high school in small rural midwestern towns "Back in the Day" will enjoy this book. It's a classic true Cinderella story of the Macon High School Ironmen (near Decatur) who faced off against a Chicago powerhouse for the state baseball championship in 1966. Compelling reading by a fine sports writer.

Never Been A Time: The 1917 Race Riot that Sparked the Civil Rights Movement, by Harper Barnes

One cannot view race in our community and in America without an awareness of the horrific and tragic events that occurred in our own neighborhood 100 years ago. The book is an updated account by a talented Post journalist now on the staff at SIUE. The author was a part of recent commemorative events.

FOR YOUNG PEOPLE:

Stellaluna, by Janell Cannon

Stellaluna is a little fruit bat (a cute one, of course) who learns not only about survival but also the meaning of friendship and family.

*NOTE: You will see the above books, along with other interesting books, displayed in the church library.
Please help yourself, sign the card, and enjoy!*
