

*Amazing Archives*  
The future of our past is ever present

Vacations are over, school has begun, the leaves are turning colors and falling to the ground. Soon it will be time to unpack the warmer clothing, decide what to keep and what to donate to the Womens Guild Rummage Sale *and* for fall house cleaning.

**You are probably wondering what this has to do with Archives.** While doing the aforementioned tasks, it's a good time to take a few minutes to reminisce where you bought that sweater, what occasion you wore that suit and remember the wonderful time you had at the Fox Theater.

And then you might find a treasure trove of photos or a credit card receipt from the restaurant you proposed marriage to your beautiful lady.

Just as you save your memorabilia to reflect on special times in your life, Roger and I diligently organize and gather information to help you remember your church family and organizations.

Thank you to everyone who has contributed to our Amazing Archives, stopped by to visit or prayed for our three rooms and team of two.

**In Service To God,  
Jo Ann Elmore, Archivist**
