

Online Directory / Mobile App & Phone Directory

Online Directory Coming Soon! Need to contact a member of this congregation, but you don't have your Guide Book & Directory with you? New this year, we are working with Guide Book Publishing to launch a highly secure Online Directory & Mobile App!

Key Features:

- Easy to use search features
- One touch calling / texting / emailing
- One touch directions & mapping
- The ability to upload your own photos
- Bank level password encryption

This product will serve as an interactive pictorial directory without the commercial photography (no portrait session to attend, no pictures to buy). It is a safe, secure directory that can only be accessed by our congregation through our website or mobile app.

This is in addition to our printed Guide Book & Directory.

***Please make sure the church office has your correct contact information!
PHONE NUMBERS! ADDRESS! EMAILS!***

However, should you choose to not want to be a part of the Online Directory or printed Guide Book & Directory, please contact the church office, so we can remove your information from the list before uploading the information.

If you have a company that is interested in advertising in this new product and the printed Guide Book & Directory please contact the office. It is through the support of advertisers in our community that these services continue to be provided to us at no cost. *Thank you!!!*
