LOVE IS PATIENT. LOVE IS KIND.  
IT DOES NOT ENVY. IT DOES NOT BOAST  
IT IS NOT PROUD.  
IT DOES NOT DISHONOR OTHERS.  
IT IS NOT SELF-SEEKING.  
IT IS NOT EASILY ANGERED.  
IT KEEPS NO RECORDS OF WRONGS.  
LOVE DOES NOT DELIGHT IN EVIL  
BUT REJOICES WITH THE TRUTH.  
IT ALWAYS PROTECTS.  
ALWAYS TRUSTS. ALWAYS HOPES  
ALWAYS PERSEVERES.

## **Pastor's Message - 1440 Extra Minutes**

What will you do with the additional 1440 minutes that we have at the end of this month?

I've asked myself this prior to previous Leap Days. As this year the Day of Discipleship will be held on February 29, most of the day is already claimed. I hope many of you will join me on that day to listen to speakers on the value of mental health and the church.

Maybe your Leap Day plans include a special visit from a family member or friend. Or maybe you will be on an exotic trip somewhere - either to a tropical location or maybe somewhere not so far from here.

According to a daring Irish tradition, Leap Day is the time for women to propose. (Of course, any time is appropriate for a woman to propose to her significant other.) Will your Leap Day be full of risk-taking?

It's fascinating to think about having an extra day plugged into our usual calendar. Will we take the day for granted or embrace the beauty of life on this special date?

Unfortunately, most of us waste too much time or prioritize our time in unhealthy ways. Instead of sabbath and spending time with loved ones, we focus too much on busywork. Instead of the work we've been putting off around the house, we lounge around the house a little too long. For some, time has become a gift of which we believe we have plenty. And, yet, days are passing by too fast, and each year keeps arriving faster and faster.

The Psalmist gives us this prayer of assistance: "Teach us to number our days so we can have a wise heart" (Psalm 90:12 CEB). We pray that we can appreciate the time we have, spending each moment constructively - whether it be resting on a sabbath, laughing with loved ones on a special evening, or working hard on a Tuesday afternoon. We pray that the gift of time is used to live into God's intentions for our world, loving our God and neighbors with our whole hearts.

Besides the Day of Discipleship, I'm not sure what my February 29 might look like at this point. There could be a proposal (since it's only fair that I propose back to Aaron). I might meet up with friends for dinner or attend a fundraising event. However the day begins to form for all of us, may we seek the presence and intentions for God, and let us Carpe Diem (seize the day) whether it be February 29 or any other day this year!

Blessings,  
Pastor Michelle

## ***From the President's Corner***

January is alive and well and really cold! I'm guessing you already know that, but just in case, that is my weather report for the month!

As with most Januarys, this time of the year is a time to take a deep breath and a rest from the hectic month of December. Christmas and Easter are the busiest times in a church, and the month after those holidays give staff and leadership teams a time to relax and refresh. This year is no different. Well actually, it was different this year. Normally in January, we elect a new slate of candidates to fill our bylaws directed council and boards. In 2019, we undertook, the process of updating and revising our somewhat outdated bylaws. It was a project that had been discussed for a number of years. With a new settled pastor in place, it was finally time. The Bylaws Team met for numerous meetings and shared an online document to do the revision. It was a big project, but thankfully, the team worked very well together, listened to one another, and was able to collaborate on a new set of Bylaws to help the church reach into the future in a more streamlined fashion. The proposed Bylaws were shared with the congregation and a meeting was set to offer the congregation the opportunity to read what had been proposed and ask questions. When that was accomplished, a congregational meeting took place to decide on whether or not to accept the new document. Happily, they were approved, and now we begin the process of filling those leadership positions. That will take place at the Congregational Meeting in February. We wait to see the slate of candidates proposed by the Nominating Board.

Each January we wind up the previous year in terms of end of year reports from each board, and our over worked accountant provides end of year figures for us. In addition, we look to the future! This is the best part! Part of the future for 2020 is opening up Heritage Hall again, now with its new "old" look. Its so exciting. We have decided to hold the Dedication on Palm Sunday, April 5, from 2-4pm. Please put that date on your calendar. It is a special day in the life of the church's history. Heritage Hall will be returned to its original look with a lot of new and updated touches. Please plan to stop by that day and be a part of the festivities. It is YOUR CHURCH! Be proud!

Let's all plan to get involved in 2020! We have so much going on at St. Paul and we need all of your involvement to make it work at its maximum potential. I'm counting on seeing MANY of you on Sundays and during the week as well! February had one extra day in it, let's make the most of it!

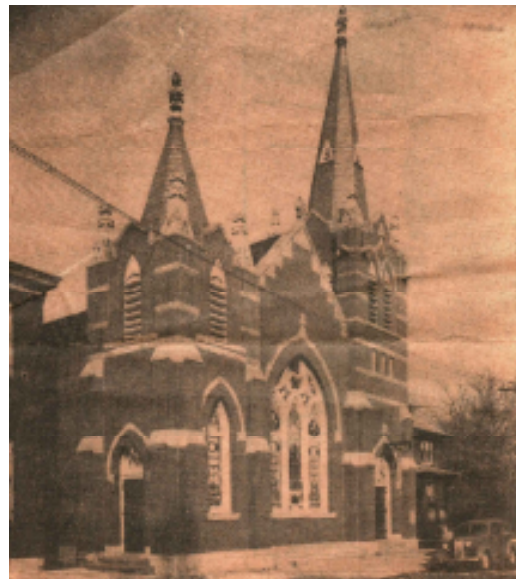

See you in church!!

Blessings,  
Mimi Llamas, President Church Council
