# Pastor's Message Cultivating Joy

Scripture tells us that joy is never too far away from us. Psalm 30:5 states "Weeping may linger for the night, but joy comes with the morning. John 16:22 says this: "So also you have sorry now, but I will see you again, and your hearts will rejoice, and no one will take your joy from you. And Psalm 126:5 claims "Those who sow in tears shall reap with shouts of joy."

When we are able to embrace the joy that is already present, our hearts become hopeful as Paul says to the Romans "May the God of hope fill you with all joy and peace in believing, so that by the power of the Holy Spirit you may abound in hope."

This is the year we need to cultivate as much joy for ourselves and others. I know that around this time of year and into January, the early sunsets can make us all feel physically and spiritually exhausted. Seeking joy can enliven our souls. Here are some ideas for you:

- \*For those of you on the internet, hold a Christmas-theme Zoom/Facetime/Google Hangouts
  Party. Virtual parties are being held all around our world this year, and this is a way to bring your family and
  group of friends together. I have truly appreciated my time virtually hanging out with my friends from
  Cincinnati including many who now live all around the country.
- \*Schedule a day filled with Christmas movies. Some of you may watch Hallmark movies all day, and others may watch mainstream Christmas comedies like National Lampoon's Christmas Vacation and Elf. Whichever brings you the most joy, embrace it!
- \*Make something and drop it off on a friend's or congregant's porch. For some of you, the creation may be a cake and for others it could be a knitted scarf. Harness your gifts and utilize them to deliver joy to a neighbor and, in the process, finding some cheer for yourself.
- \*Expand your Christmas card list this year. While you may have tapered your list, this may be the year to include more people with whom you have lost contact or people in the church who may not be able to leave their homes.
- \*Create new rituals. Since this year Christmas will be different than in other years, rituals will need to be adjusted. It's also an opportunity to create something new. What would a five minute prayer ritual before midnight on New Year's Day look like to you? Have you thought about spending time with your immediate family driving around looking at Christmas lights? Even as a church, we are looking at new rituals just as we had Drive Through Communion prior to Thanksgiving. Events like this cultivate joy.

Finally, recognize the moments of joy that you may have experienced this year. Here's your challenge: **find or take photos which represent the joy you experienced since the beginning of our pandemic time.** Send them to me by December 7, and we will use them for a future worship service this Advent. Seeing the joy that others have experienced may encourage others to seek out the joy we have embraced this year.

With the days very short and sunset occurring before 5pm, the lights of joy will illuminate our shadows. May we seek the delights of life and the comfort of God even in these weeks of the sun setting early in this pandemic world.

Merry Christmas, Happy Holidays, and New Year Blessings to you and your families! Pastor Michelle

# From The President's Corner

Welcome to December! As we start this last month of 2020, it's hard to realize that Christmas is approximately four weeks from now and the New Year is not far behind. However, as we all know, and as evidenced by Thanksgiving activities, our Christmas holiday events will I'm sure, be very different than any we've ever known due to the coronavirus which is all around us. With this in mind, I hope everyone continues to be safe and take all the precautions and safety measures recommended to us by the health experts as we all together continue to combat this awful disease.

As I have said several times before, we're still conducting most of our church activities and making our decisions in a large part through our established Teams, the Executive Council and the Council itself using our virtual mediums that we all have gotten so used to this year. However, this takes a concerted, vigorous and continued effort on the part of many of our members and our supportive church staff. No better evidence of that is the team starting with Pastor Michelle and Craig, as well as others that continues to produce our Sunday virtual services, our Zoom meetings and fellowship hours and the many other things we all enjoy through that medium. Continued thanks also to Dr. Bill Wade and John Posth and all of our church choir members who put in several hours each week to produce our wonderful music that we all enjoy each Sunday morning.

As the virus numbers continue to escalate in our County and in our Region, we made a decision in late November to have all services through the end of the year conducted virtually. I am absolutely convinced that this was the right decision to protect all of us and those around us. I'm confident that we'll be very deliberate in our plans to reopen in 2021 and then do it slowly and methodically. That's the only right thing to do.

I also want to mention again that our church office reopening has worked out quite well for everyone. If you have business that requires you to visit the church, please ring the bell at the office doors on the B Street side. If you can, please call the church office before arrival so they will be expecting you. And don't forget your mask!

I also want to thank all the people who have worked so hard on our reopening plans for our Mother's Day Out program taking into consideration all of the virus concerns and precautions that must be addressed. Hopefully that program can open sometime in January 2021 and continue to be a success.

As this is my last report to you as your current president since taking over on the first of March of this year, I want to sincerely thank each and every one who has helped or supported me in any way to make the decisions we made and the actions implemented for our church and our people. And I cannot forget the staff we have that so diligently works to help all of us carry out the mission of our church.

I'm completely confident and excited with the slate of officers and other new Council members that have been nominated to lead us forward in 2021. I offer my complete support and help to each one of them in whatever way I can assist. I'm sure the new officers and council members will carry on in a superb manner working through the various Council teams, the Executive Council and the Council itself to move our church forward.

Again, a most heartfelt thanks to you all for your unwavering support.

Peace to All,

Wayne Caughman, President

Dear Member of St. Paul UCC,

In this unique year, we at St. Paul UCC have tried to continue business as usual even as it looks different. Videos of our worship services are streaming on multiple platforms. Most of our meetings have been done through the Zoom app. We have held drive through communion and worship outdoors.

Our attempts at doing business as usual in new ways continues this month. In order to keep our congregants, volunteers, and staff as safe as possible, the church is fully remote until January 1 at the earliest. This means that our Election and Budget Meeting will also be held online, and **this meeting will be held on Sunday, December 20, 2020 at 10:30 am.** Please note: we still need 50 to attend virtually for the meeting to have a quorum.

We will be voting on the following three items: (1) additions to our bylaws which indicate that we are able to hold meetings virtually; (2) the budget for 2021; (3) our slate of officers for 2021. This information, including an abbreviated budget, is attached /in this OSP. If you would like a copy of the full proposed budget for 2021, please call the church office.

We know many of our congregants have not had the opportunity to use Zoom. There are a couple of ways to access the meeting.

Through your computer please join here:

Join Zoom Meeting

https://us02web.zoom.us/j/8676056534

You can also go to the zoom website and plug in this meeting number: 867 605 6534

You can access the meeting through your phone. Please call the following phone number: (312) 626-6799.

If you will be joining by phone, please sign on to the meeting early at 10:15am for us to match up your phone number with your name(s).

We will have a couple of practice sessions. First of all, you can join us through your preferred method (internet or phone) at one of the two times:

Thursday, December 10 from 3-3:30pm Sunday, December 13 from 10-10:30am

You can join the practice sessions through the link or phone number above.

Thank you for your willingness to adapt during this time. We appreciate that all of you have continued to share your gifts throughout this year. Your contributions bring us much joy and hope as we head into 2021!

Blessings,

Wayne Caughman, President of St. Paul UCC Church Council Rev. Michelle Torigian, Senior Pastor

# STAR TREE

has been a very
unusual year to
say the least but
Covid or not, all children
look for gifts from Santa.
With services being
'virtual' for at least the next
few weeks, it would difficult at best for
everyone to choose a star from
the star tree.

So... this year, to keep YOU safe, rather than have you shop and bring gifts to the church, we are asking for monetary donations to sponsor a child / family (recommended donation of \$25 per family member, please). This year we have 30 families with the total of 81 children!

Let's bring some smiles to our neighborhood children's faces during this difficult year! Please send your donations to:
St Paul UCC, attn: Star Tree, before December 4th. Thank you!!
