### WELCOME TO THE TEAM

Tristan Frampton is a music professor and director of music activities at the University of Health Sciences & Pharmacy in St. Louis, where he conducts multiple vocal and instrumental ensembles and teaches music-related coursework. An active musician, he has enjoyed singing Renaissance music with both Pro-Arte St. Louis and Vox Fidentium, and repeatedly been invited as a tenor soloist with the Rolla Choral Arts Society. He has served as a music director for the Ozark Actors Theatre, and been invited to guest conduct musical theatre performances for Fine Linen Drama. In addition to singing and conducting, Tristan also composes music. His compositions have been premiered both in the United States and abroad. Tristan studied music performance and conducting at Truman State University and the University of Arizona, and holds a Ph.D. in music education from the University of Missouri. When he is not teaching, making music, or composing, Tristan enjoys spending time with his wife, Sarah, and their two sons.

## MATS FOR COMMUNITY COMFORT

**Tuesday, March 15 from 1-3pm  
in the craft room**

**THANK YOU FOR SHARING  
AND CARING, SANDY**

As you all know before covid, we were collecting plastic bags to crochet into mats for the homeless. We had so many dedicated people in an assembly line preparing the bags for plarn to be crocheted, but found the crocheting was very hard on the hands. Thankfully, Sonja Myland found a church that weaves the plarn into mats. We had Dave Hoffmann make us a loom and we are ready to recycle bags into plarn to weave and create the mats.

We need your help in making the plarn in an assembly line to prepare for weaving. **PLEASE JOIN A TEAM** that will make this project take place and make a difference in the community, plus form relationships with a group that want to do something worthwhile.

Our first get together will take place Tuesday, March 15 from 1-3. Be sure to invite friends from the community that would like to participate. Just bring scissors to get started. We will show you what to do. This project can also be taken home to do the plarn, especially on the cold, dreary days. Looking forward to a fun and productive project.

Feel free to call me with your questions and let me know if you will be able to attend. Sandy Ritter 222-1123
